

YOUR EXCLUSIVE INVITATION TO AIPP'S ALTERNATIVE INVESTMENTS SEMINAR

**We're pleased to invite you to the 'Alternative Investments' seminar
The Old Bailey, London on Monday 5th December 2011.**

The property market continues to prove challenging, and we're gaining an increasing number of enquiries from AIPP members, looking for alternative products such as biofuels, car parks, land and forestry as potential investments for their clients.

The AIPP seminar will discuss this topic with a panel of experts from:

- Best International Ltd
- AJP Worldwide
- Trafalgar Square Overseas Ltd

The seminar will focus on:

- Assessing the potential investment opportunity for clients
- Consideration from a business perspective before adding alternative investments to your portfolio
- How to conduct thorough due diligence and where to go for independent facts and statistical data on the relevant market or industry
- How to ascertain whether this is a SIPPable product
- Case studies of products on the market
- What are the business returns especially compared to property and what impact do the investments products have on running a property business
